RULE SUMMARY

This rulemaking implements legislation enacted in 2007 (Chapter 390 Oregon Laws 2007 (Enrolled House Bill 2213)), which requires health insurers to establish a procedure for providing to an enrollee an estimate of the portion of covered costs of a service or procedure for which the enrollee will be responsible.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
